

# ABOUT US

KDLN is a **decorative lighting** company founded in **1996** in Milan.

From the beginning it stands out for an **innovative spirit**, a **unique style** and **advanced research** in the field of new technologies and materials.

# ABOUT US

Over the years, the company moves towards a progressive **evolution of language, style** and **production**, becoming an example of "**Italian know-how**" in the field of decorative lighting.

# REBRANDING

In 2020 the company decides to renew itself to express **today's identity**.

**Kdln** is a visual and phonetic synthesis of the original name, it captures the essence of a **deeply changed** and **matured reality**.

An unprecedented image and a new company name, **Kdln S.r.l.**, fully express the current identity.

# MISSION & VISION

## Mission

Improving public and private living spaces, giving character to interiors through form, light and design.

## Vision

Make the difference.

Leave a mark.

Do it well.

Create an experience.

Thanks to these values, we want to become an industry reference point for developers, designers, architects, lighting designers and end consumers, offering them a wide variety of lighting solutions.

# VALUES

## **Make the difference**

We act oriented towards a sustainable business model.

## **Leave a mark**

Our lamps leave an incisive and contemporary mark in the rooms.

## **Do it well**

We manufacture our lamps guaranteeing the highest level of reliability.

## **Create an experience**

We provide the products and assistance needed to carry out any type of project.

# PLAN(T) THE FUTURE

*“KDLN will contribute to the global goal of planting over 30 million trees up to the achievement of **an optimal percentage of 10% of woods and forests**, regenerating natural habitats and biodiversity over time and guaranteeing the rights of local workers,”*

*Stefano Bordone (2022)*

From 2022 KDLN joins the **cause of planet reforestation** to reduce CO2 emissions in favor of oxygen generating new job opportunities for the local communities.

For each product **sold**, the company will allocate a **percentage of its profit** to the american no-profit company Eden Reforestation Project to support the reforestation in Kenya.

# DESIGN

**Light**, according to KDLN, is **poetry** and **beauty**, **functionality** and **technique**, **simplicity** and **character**.

A universal language, a unique and versatile style, that **draws on the past** in an interpretation that is **original** and **contemporary**.

# COLLECTION

KDLN's catalogue offers a rich collection of **floor, table, suspension, ceiling** and **wall lamps** able to satisfy **functional** and **aesthetic** needs.

Every lamp has a specific **creative** and **technological process**. **Functionality** is always combined with the **poetry of the form**.

**Glass, metal** and **ceramics** are wisely used and blended to ensure uniqueness and recognizability, excellent performance and impeccable quality.

# MANUFACTURE

Each KDLN lamp gives a **distinctive sign** thanks to the work of the best producers from all over the world, selected one by one by the company, to give shape to its projects.

KDLN products are distributed in more than **70 countries** all over the world.

# DESIGNER

KDLN shares with **established designers** and **emerging talents** an **out-of-the-box creativity**.

All products are the mix of a **strong concept** and the **background** of our **designers**.

# OPERATIONS

Average availability time is typically **2 weeks** on **top 10 best-selling products**.

**Custom-made** products take between **4 and 8 weeks** from order inception.

Our products are built in compliance with the guidelines of the main **international certifications**.

# CUSTOMIZATION

We offer **consulting** and **design services** and availability of a wide range of **customizable products**.

Over the years, KDLN built an extremely versatile expertise to develop **tailor-made products** and **projects** for its customers.
