KUSHI 10th
table lamp, 2025
design Alberto Saggia & Valerio Sommella

Kushi 10th by **Alberto Saggia & Valerio Sommella**. Kushi 10th celebrates ten years of light and harmony. A new table version, true to the essence that made it iconic, renews the dialogue between matter and light. Soft, essential, versatile. It's the next chapter in a story that began ten years ago, when a stem and a sphere met for the first time.

Designer's Biography: Alberto Saggia & Valerio Sommella

Both graduated from the Politecnico of Milan in 2004, the first with a specialization in lighting design and more than 10 years of collaboration with the Metis studio, the latter with an experience strongly linked to product design started in major design studios between Milan and Amsterdam. Since 2009 they collaborate specifically in the design of objects related to the lighting world, combining a technical vision with an aesthetic approach based on formal, material, technological and functional innovation.

Milan, March 2025
