MARS FLOOR
 floor lamp, 2026
 design Yonoh Creative Studio

Mars Floor by **Yonoh Creative Studio**. A diffuser in balance, surrounded by volumes that trace trajectories through space. Tension and harmony coexist, gravity and lightness meet. Each volume responds to the others in an equilibrium that feels as if it has always existed. Mars Floor is a luminous sculpture where elements orbit in silence, forming an order that reveals itself slowly, like the movement of a planetary system observing itself.

Designer's Biography: Yonoh Creative Studio

Yonoh is a Valencia-based design studio founded in 2006 by Clara del Portillo and Alex Selma. Combining their creative visions, they focus on product, graphic, and interior design, known for simplicity, functionality, and fresh character. Their work has earned top awards like Red Dot, iF Design, and Good Design. Clara and Alex, both industrial designers, launched Yonoh after meeting at a design exhibition in 2004. Their name, an ambigram, reflects the studio's dual creative soul. Since 2014, they've also shared their approach through teaching and workshops worldwide.
